Sir:

Pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.322, patentees and patentees' assignee hereby request that the U.S. Patent and Trademark Office ("PTO") issue a Certificate of Correction (in the attached form) for the above-identified patent. A Certificate of Correction is needed, because the above-identified patent contains several typographical errors in the claims that are the fault of the PTO, and are appropriate for correction under 35 U.S.C. § 254.

In particular, there are typographical errors appearing in claim 1, column 58, line 27 and column 59, lines 15, 38, 40, and 51-52 and in claim 25, column 61, line 63. These errors are apparent from the amendments filed June 12, 2003 and subsequently thereafter.

Since these errors were the fault of the PTO, patentees submit that no fee is owed. However, if patentees are obligated to pay a fee, please charge such fee to Deposit Account No. 14-1138.

In view of the foregoing, patentees and patentees' assignee respectfully request that the PTO issue the attached Certificate of Correction for the above-identified patent.

Respectfully submitted,

Date: April 4, 2007
